About:

Hello, My name is Adam Gulmantowicz. I am a young developer focused on constant growth. I started my adventure of self-learning in high school. For about a year I have been working for AuroraCreation as Fronted Developer. where I have been specializing in Magento technology. Programming is not only my job but also my passion. I carefully carry out projects entrusted to me. I work as a freelancer. I am fully open to suggestions and customer vision. Currently, my passion is RubyOnRails technology, which I am learning for pleasure and broadening my experience

Education:

Liceum Ogólnokształcące
im Mariusza Zaruskiego w Węgorzewie

My skills:

- HTML 5
- CSS 3
- Javascript
